# KIP BATEMAN

## Protecting New Jersey's Environment

### Protecting our Drinking Water

To face the demands and challenges of the future, Kip helped provide \$25 million for clean water initiatives throughout our community.<sup>1</sup>

### Banning Delaware River Fracking

Kip is fighting to enact a permanent ban on fracking in the Delaware River Basin – defending the 17 million people who could be exposed to contaminated water.<sup>2</sup>

### Fighting for Clean Energy and Open Spaces

Kip sponsored legislation to increase the renewable portfolio standard and dedicated funds for more open spaces.<sup>3</sup>
