**Andrew Zwicker,
Roy Freiman and Sadaf Jaffer**

Protecting our Communities and Families
from Severe Flooding and Storms

More Severe Storms
Are on the Way.

**NEW JERSEY NEEDS
TO BE READY.**

**Vote Democrats ANDREW ZWICKER for State Senate
SADAF JAFFER and ROY FREIMAN for State Assembly**

Early Voting October 23-31 || Election Day November 2

Andrew Zwicker, Roy Freiman and Sadaf Jaffer are **Protecting New Jersey from Climate Change**

Strengthening and adapting our roads and landscape to reduce the harm caused by severe storms

Reducing harmful pollution and greenhouse gases

Promoting clean energy and clean electric vehicles

Protecting open space and combating overdevelopment

Andrew Zwicker A Proven Leader for Our Community

Andrew Zwicker is a physicist at Princeton. Since 2015, he has passed laws to stop pollution from fracking and fossil fuel drilling. He has consistently been one of our strongest environmental champions in the legislature.

Roy Freiman An Environmental Champion

Roy Freiman was elected to the legislature in 2017. In that time, he has fought to ban plastic bags, expand electric vehicle use and protect our open spaces.

Sadaf Jaffer A Track Record of Service

Sadaf Jaffer also teaches at Princeton. As Mayor of Montgomery Township, she created a crisis plan that helped her town maintain some of the lowest COVID-19 rates in all of New Jersey.
