# Working to keep us safe and healthy.

Natale and Eckel have detailed plans to:

- ▶ Protect our farmers and economy from increasingly severe storms and flooding
- ▶ Prevent overdevelopment of our community and protect open space
- ▶ Invest in our communities to make them safer and create jobs
- ▶ Ensure clean air and water to keep our families healthy

## Mark Natale

Mark Natale has dedicated his legal career to ensuring that working men and women across the state have someone in their corner representing them. He also serves on the Evesham Environmental Commission, protecting the town's air and water.

## Allison Eckel

Allison Eckel is the Medford representative on the Lenape Regional High School District Board of Education. She has a record of community service supporting youth programs and local business organizations.
