# Protecting New Jersey's Communities & Livelihoods

- ✓ Will protect our farms, families and businesses from increasingly severe storms and flooding
- ✓ Will strengthen and adapt our towns to create good-paying jobs and protect our community
- ✓ Will prevent overdevelopment of our community and protect open space
- ✓ Will ensure clean air and water to keep our families healthy

**Vote early until October 31 or on Election Day on November 2**

**MICHAEL TORRISSI  
& BRANDON UMBA**  
Would Put Our  
Health and  
Families at Risk

- X** Torrissi made his money off dirty energy that's polluting our air and water and causing extreme weather<sup>1</sup>
- X** Under Umba's watch, West Deptford moved forward with a natural gas plant that has polluted the air and contributed to climate change<sup>2</sup>
- X** Put our health and future at risk by opposing common-sense precautions against COVID-19<sup>3</sup>
